

HOW CHIP RUNS GOLF LEAGUES

with

Meet Chip Fairway — a modern league organizer who uses GameDay Pro to keep weekly golf leagues running smoothly.

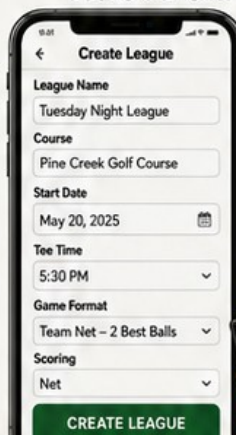

1 CHIP CREATES A CLUB

First, I create a Club in GameDay Pro. That gives my league one home base.

2 CHIP SETS UP THE LEAGUE GAME FORMAT

For this season's league, I set up the game details—dates, times, course, and game format.

3 CHIP INVITES THE PLAYERS

I'm invited! I'm invited! I'm invited! I'm invited!

STEP 1: Create a Club for your league.

STEP 2: Set up the weekly league.

STEP 3: Invite your players and build your league roster.
